

Come to the Table

Resetting the Table for Remembering

Text: Exodus 12:3-4

Tell the whole community of Israel that on the tenth day of this month each man is to take a lamb for his family, one for each household. If any household is too small for a whole lamb, they must share one with their nearest neighbor, having taken into account the number of people there are. You are to determine the amount of lamb needed in accordance with what each person will eat.

Food actually helps us remember! Certain foods remind us of the things that meant a lot to us in our childhood. Likewise, food can remind us of God's goodness and divine provision.
